

## CHOOSE YOUR OWN ADVENTURE

**\$TBD**

Elopements | Destination | Intimate | Out of State

### Standard

- 1 videographer
- hours of coverage is determined by you
- number of Super 8 rolls depends on scale of video shoot and hours of coverage needed

### Bonuses

- cost of the Super 8 film and shipping included
- complimentary "video postcard" clips
  - raw, not edited, moments found in the footage
  - amount of clips will vary (typically 10+)
  - each postcard clips' length varies (typically 3 - 10 seconds)
  - if curious, I can send examples!
- 1 complimentary roll of 35mm film
  - shot on either a point & shoot or the nishika n8000
  - point & shoot = 36 exposures
  - nishika n8000 = 18 exposures, but the images are turned into gifs
    - if curious, I can send examples!

*\*if your wedding is an out of state or a destination wedding, additional travel and housing costs will vary depending on location\**

## THE MEMORY

**\$3499**

### Standard

- 1 videographer
- 5 hours of coverage
- 4 rolls of Super 8 film (roughly 12 - 14 minutes of raw footage)
- 1 edited highlight reel (minimum 1 - 2 minutes long)

### Breakdown of Costs

- \$2889 = 5 hours of wedding day coverage + video highlight
- \$480 = 4 rolls of Super 8 film (\$120 each)
- \$55 = shipping
- \$75 = song licensing for video highlight reel
- \$0 = raw Super 8 footage delivered via dropbox link

### Bonuses

- cost of the Super 8 film and shipping included
- complimentary "video postcard" clips
  - raw, not edited, moments found in the footage
  - amount of clips will vary (typically 10+)
  - each postcard clips' length varies (typically 3 - 10 seconds)
  - if curious, I can send examples!
- 1 complimentary roll of 35mm film
  - shot on either a point & shoot or the nishika n8000
  - point & shoot = 36 exposures
  - nishika n8000 = 18 exposures, but the images are turned into gifs
    - if curious, I can send examples!

*\*please note that one roll of Super 8 film is roughly 3 - 3.5 minutes of footage\**

## THE DREAM

**\$4499**

### Standard

- 1 videographer
- 8 hours of coverage
- 6 rolls of Super 8 film (roughly 18 - 21 minutes of raw footage)
- 1 edited highlight reel (minimum 3 - 4 minutes long)

### Breakdown of Costs

- \$3649 = 8 hours of wedding day coverage + video highlight
- \$720 = 6 rolls of Super 8 film (\$120 each)
- \$55 = shipping
- \$75 = song licensing for video highlight reel
- \$0 = raw Super 8 footage delivered via dropbox link

### Bonuses

- cost of the Super 8 film and shipping included
- complimentary "video postcard" clips
  - raw, not edited, moments found in the footage
  - amount of clips will vary (typically 10+)
  - each postcard clips' length varies (typically 3 - 10 seconds)
  - if curious, I can send examples!
- 1 complimentary roll of 35mm film
  - shot on either a point & shoot or the nishika n8000
  - point & shoot = 36 exposures
  - nishika n8000 = 18 exposures, but the images are turned into gifs
    - if curious, I can send examples!

*\*please note that one roll of Super 8 film is roughly 3 - 3.5 minutes of footage\**

## ABSOLUTE CINEMA

**\$5549**

### Standard

- 1 videographer
- 10 hours of coverage
- 8 rolls of Super 8 film (roughly 24 - 28 minutes of raw footage)
- 1 edited highlight reel (minimum 4 - 5 minutes long)
